

# Retreads® Provincial Rally

## Thunder Bay 2010

### Come and join the Ontario NorthWest Retreads® Chapter in Thunder Bay for the 2010 Ontario Provincial Rally

Come to Thunder Bay and enjoy riding through some of the finest natural beauty in Ontario. View the spectacular 40m high Kakabeka Falls and the grandeur of the Sleeping Giant. Step back into history at Old Fort William or the Founders Museum. See ocean-going ships at the world's largest fresh water port. Shop our huge 150 store Mall, one of our specialty Malls or try your luck at the tables and slots in our Casino. And most important of all, enjoy that great northern hospitality.

There is so much to see and do, we can't possibly include it all during the rally. If you prefer to arrive early or stay later and spend some extra time sight seeing, we'll have club members available to help you out and answer your questions. And if you have ever thought about riding the Lake Superior Circle Route, Thunder Bay is half way. We have many local members who have done the Circle Route and who could offer advice, directions and possibly even company for your adventure.
